THE NEW YORK COUNCIL TO
ABOLISH THE UN-AMERICAN
ACTIVITIES COMMITTEE

On March 9, 1961, a source advised that the New York Council To Abolish the Un-American Activities Committee (NYCAUAC), 150 West 34th Street, New York City, New York, was formed at a meeting held in New York City on November 17, 1960. This organization was founded principally through the efforts of FRANK WILKINSON, Field Representative of the National Committee To Abolish the Un-American Activities Committee (NCAUAC).

A second source advised on September 17, 1952, that FRANK WILKINSON was a Communist Party member as of September, 1952.

The "National Guardian" in January 16, 1961, issue, page 7, column 1, contained an article which states that the NYCAUAC has only one objective: "to help the National Committee as vigorously as possible in its endeavors to mobilize the American people in a campaign to abolish the House Committee on Un-American Activities."

A third source furnished on March 9, 1961, a prospectus of the NCAUAC prepared principally by FRANK WILKINSON, which in reference to "local abolition committees" stated that these committees may identify and coordinate their efforts as closely as they desire with NCAUAC, still maintaining their autonomy for as flexible and independent program as possible. The prospectus also stated that the NYCAUAC was responsible for coordinating abolition activities on the Atlantic coast.

Various sources have advised in April, 1961, that Communist Party members in the New York City area have been solicited to support activities of the NYCAUAC during attendance at Communist Party club meetings.

PCI furnished one copy of a two page leaflet entitled "Fighting American Nationalists - Brain Washing Before Mongrelization" dated 10/13/61 prepared by [REDACTED].

b6
b7C

PCI furnished one copy of "Draft for the Program of the White Youth Corps", Release #1, dated 10/27/61.

All exhibits except that concerning White Youth Corps will be maintained in 157-3.

It is recommended a 105 dead be opened concerning the White Youth Corps in which exhibit will be maintained.

A meeting of the Fighting American Nationalists (FAN) was held at organization headquarters on November 17, 1961. The meeting commenced at approximately 8:00 p.m. and lasted 45 minutes. Present at the meeting were:

[redacted]
MATT KOEHL
[redacted]

b6
b7C

Nothing specific was discussed other than the tentative plans for a second dinner to be held on November 24, 1961, at headquarters.

It was determined that Commander ROCKWELL anticipates speaking at Union Square in New York City in the near future. This was brought about as a result of the favorable decisions in New York for the Commander's right to speak there.

On 11/24/61 a dinner was held in lieu of a meeting at FAN headquarters. The event commenced at approximately 9:30 p.m. and continued to almost 1:00 a.m. Present at the dinner were:

[redacted]
MATT KOEHL
[redacted]

b6
b7C

[redacted] Milwaukee, Wisconsin
[redacted] was with [redacted] at National States Rights Party (NSRP) meeting sometime back

[redacted] is described as white, male, 35 - 40 years of age, 5' 6", approximately 170 pounds, black hair or dark brown, partly bald, round face, wears dark rimmed glasses and is employed as a taxicab driver. He wore a tan belted trench coat. It was not made known how [redacted] came to attend this function.

The dinner was purely social in nature and no business was discussed. The meal was prepared by [redacted] and consisted of the usual turkey and "all the trimmings". A charge of \$1.00 was made for each person attending.

It has recently been learned that [redacted] and MATT KOEHL have taken over all the material and certain of the fixtures from "Women's Voice", which has gone out of business. The building management where "Women's Voice" was formerly located has assessed [redacted] the sum of \$100.00 for storage charges for the "Women's Voice" material. [redacted] KOEHL and [redacted] contributed to the \$100.00 assessment but [redacted] refused. [redacted] advised that they are to be reimbursed for the contribution once the pamphlets and booklets received from "Women's Voice" are sold.

b6
b7C

In connection with this it is the intention of the FAN group to open a book store in the downstairs area of the headquarters building. It will be called the Vinland Book Store and it is anticipated it will go into operation sometime after January 1, 1962. At the present time MATT KOEHL and [redacted] intend to operate the store, [redacted] serving in the daytime while KOEHL will take over at night following termination of his regular daily employment. FAN has accumulated a considerable store of books and pamphlets covering a multitude of subjects and will add the material received from "Women's Voice", all of which will make up the stock in the Vinland Book Store.

b6
b7C

FAN Headquarters continues to suffer from lack of heat as the heating unit recently damaged by water has not as yet been repaired. It is anticipated the landlord of the building will have this work done in the near future.

On November 27, 1961, [redacted] submitted a FAN application blank to [redacted] and at that time paid \$5.00 toward the \$10.00 initiation fee.

b6
b7C

It was determined that as of December 5, 1961, [redacted] have terminated their affiliation with the FAN organization and have enlisted in the United States Army. During this association they were not known to be actually members of FAN or of the ANP, however, they have

been active with the group since the latter part of September, 1961.

[] was heard to remark to certain of his associates that he was "going to start his own Nazi party" because he was completely disgusted with the operation of the FAN movement in Chicago.

b6
b7C

[] remarked that he had sent GEORGE LINCOLN ROCKWELL a \$100.00 contribution and had written ROCKWELL denouncing [] for his leadership in Chicago.

Both [] are reportedly serving with an armored unit now training at Fort Leonard Wood, Missouri.

b6
b7C

[] has dropped from FAN activities and the reason for his termination is unknown. It is generally believed that he has not had the enthusiasm for this type of movement that his brother, [], had.

[] reportedly has started a new organization to be known as the White Youth Corps, the aims and purposes of which are set forth in a "Draft for the Program of the White Youth Corps". This is a leaflet prepared by [] bearing the date October 27, 1961, which reads as follows:

b6
b7C

~~"The White Youth Corps stands ever as a guard for The White Race. This Nation was founded by White People for White People and if we are to be worthy of our heritage we must stand UNITED against every effort to mongrelize our people.~~

"The White Youth Corps believes in The Constitution AS IT IS WRITTEN for those who wish to benefit by it not for those who wish to DESTROY it.

"The White Youth Corps believes that we must EXPOSE, FIGHT and OUTLAW Communism.

"The White Youth Corps believes that everyone should be entitled to have property of their own without interference from the Government and that Free Enterprise is essential to American Heritage.

"The White Youth Corps believes in Morality and Decency among the Youth and around places in which they gather.

"The White Youth Corps believes that we should place MEN in our Government, NOT spineless traitors whom set bad examples for our Youth.

"The White Youth Corps believes in lawful Segregation of the White and Black Youth of our Nation to the most complete and beneficial extent possible.

"The White Youth Corps demands a thorough investigation of ALL student groups shown to have Communist or pro-Communist leanings and prosecution of all leaders of such groups.

"The White Youth Corps believes that we cannot 'co-exist' with a dedicated enemy and that Communism should be fought wherever it appears, whether it be in the streets or in the classroom IT MUST BE STOPPED. It must not be allowed to EXIST AT ALL!

"The White Youth Corps believes in Physical fitness as a must to maintain a good stock of American Youth ready to defend their Nation's enemies.

"The White Youth Corps believes the Great White Race has a RIGHT and REASON to live. Our Race has exclusive right to this Continent. God created the Great White Race and blessed it with more intelligence and virtues than any other race and the White Youth Corps does not intend to let anything destroy it. We refuse to allow our precious White Youth to be sacrificed upon the altar of Race-Mixing".

"The White Youth Corps demands that the Government STOP the illegal tide of Immigration and Bar and DEPORT known pro-Communist from positions where they may fan the flame of Revolution -- the press, the radio, MOVIE PRODUCTION STUDIOS, above all, labor unions. Doubtless a law outlawing Communism would cover this requirement."

[redacted] was heard to comment during the meeting that NIXON, herself, and FNU - LNU (mentioned above) were on the Memorial Committee in connection with the funeral arrangements for JOHN T. MC MANUS who recently died.

The chairman, [redacted] introduced the individuals present on the platform and RUSS NIXON who was described as a "Guest Speaker".

The first speaker was [redacted] who spoke regarding the background of the Smith and McCarran Acts.

RUSS NIXON then spoke in detail regarding the McCarran Act and the hysteria it has caused since it was passed in 1950. He said this Act has hurt the trade union movement and individuals of all political beliefs. He urged that the Act be done away with and also congregational committees that thrive on the Act. NIXON quoted JEFFERSON and stated in 1790 JEFFERSON had vetoed a similar bill. NIXON described the McCarran Act as taking the Bill of Rights away from the people.

NIXON continued by stating the individual has the right not to incriminate others. He urged those individuals present to write letters to the President urging him to repeal the bill and commenting that the bill was vetoed by President TRUMAN. He also urged that small groups present visit their Congressmen and Senators to voice their opinion regarding the McCarran Act.

[redacted] made the collection speech and [redacted] later announced that a total of \$35.25 had been collected.

b6
b7C

NY 100-118525

During a question and answer period that followed, [] questioned NIXON regarding the registration of the top Communist leaders. She specifically wanted to know if WINSTON and DU BOIS would be required to register as Communist Party members. NIXON answered stating that Dr. DU BOIS was in Ghana and intended to stay there the rest of his life and therefore he would not register. He said that WINSTON is currently in the USSR (although his family has returned) where he is confined to a hospital and he probably would not register. NIXON stated however he probably would be required to register when he returned to this country in six or seven months.

b6
b7C

There followed questions on the right of LINCOLN ROCKWELL (Nazi leader) to speak in public and NIXON avoided answering this question and said it was not pertinent to the McCarran and Smith Acts and should be discussed by the BCLC as a separate issue.

The chairman of the meeting, [], then read a letter written by HAROLD UREY, critical of the McCarran Act. [] stated this letter would be forwarded to President KENNEDY by the BCLC and a voice approval was made.

b6
b7C

[] then announced that JAMES JACKSON would speak at the Bronx Cultural Center on December 3, 1961, on the subject of the 22nd Congress of the CP USSR.

[] then announced that on the evening of 12/6/61 a rally to Abolish the House Committee on Un-American Activities would be held at Manhattan Center, NYC.

Re: American Nazi Party
Racial Matters

On January 17, 1962, Detective [redacted] Bureau of Special Services (B33), New York City Police Department (NYCPD), advised that on this date, the Department of Parks, New York City, received an application from George Lincoln Rockwell, Commander, American Nazi Party (ANP), for a permit to speak at Union Square Park, New York City, on Good Friday, April 20, 1962, from 2:00 pm to 4:00 pm.

b6
b7C

In his application, Rockwell stated that he would use the facilities at Union Square Park, New York City, on April 20, 1962, for a rally and speech, political in nature. In his application, Rockwell also claimed a membership of 4,000 in the ANP, and stated that he expected 50 to 100 ANP members and supporters to take part in the April 20, 1962 rally.

In addition to himself, Rockwell stated that [redacted] Deputy Commander, ANP, and [redacted] Lieutenant, ANP, would also make speeches at the rally on April 20, 1962.

According to Rockwell's application, the purpose of the April 20, 1962 rally will be to speak against Communism and other forces opposing the United States.

b6
b7C

Rockwell stated that the rally will consist of speeches only, there will be no band present, and copies of his speech to which he will strictly adhere, will be submitted to the proper authorities in New York City beforehand.

Detective [redacted] advised that no action will be taken on Rockwell's application until the Parks Commissioner of New York City has consulted with both the Mayor and Police Commissioner of New York City.

THE rockwell report...

THE U S RIGHT WING PICTURE

AMERICAN NAZI PARTY
official publication

The ROCKWELL REPORT is a twice-a-month Washington newsletter published at 928 North Randolph Street, Arlington, Virginia, USA. 50¢ per single copy. Ten dollars per year. Eleven Dollars Overseas and Canada. Thirteen dollars, Air Mail... Not responsible for unsolicited manuscripts. Clippings and news items welcomed.

THE U S RIGHT WING PICTURE

About a year ago, in response to many requests, particularly from overseas - I reproduced a letter to our Italian comrades picturing clearly the situation of the right-wing in America and sent it around for information to right-wing leaders in the U. S.

With the sudden immense growth of the right-wing during the past year, that analysis has been somewhat outdated. Further, I think an accurate picture of the rapidly proliferating right-wing groups in America would be most helpful to our leaders.

I am therefore printing a new appraisal and analysis of the right-wing in America in this issue of the Rockwell Report.

While it is impossible to categorize all right-wing groups accurately, we have nevertheless produced a working chart which will be helpful to the student of politics in evaluating the left-right orientation of these groups.

In spite of all the wishful thinking and sloppy humanitarianism, in the final analysis the laws of nature prevail in the affairs of men as well as in all other things. Man can **USE** these laws and manipulate them perhaps, but he cannot change or eliminate the laws themselves. Whether it suits man or not, might makes right in the sense that the winners in mass human conflicts are always "heroes" and "saviors", while the losers are "traitors", "war criminals" and "monsters". The end does justify the means as every father who punishes his child and every nation which sends its young men out to die in wars, perhaps, must tacitly admit.

It is this respect for the immutable laws of the natural world which we believe provides the best criterion for establishing the relative left-right positions of political organizations. The ultimate and utopian idealists - the anarchists - represent the farthest possible political extreme to the left, while the brutal and highly personal conquerors like Genghis Khan, who don't care a fig for any idealism whatsoever and establish a social order based on the most brutal and naked tyranny represent the farthest possible extremity to the right. We believe that both the soft-headed wishful thinking anarchists and the brutal natural tyrants are equally "bad".

As usual in human affairs the extremes are bad and the golden mean is the only tolerable situation.

The American Nazi Party believes that the golden political mean for civilized western men was

achieved with the authoritarian republic established by our slave-holding, aristocratic American forebears who never considered franchising any but white, responsible male property holders and who were ready to fight and die for their ideals, regardless of threats and atrocity propaganda. To us, such a constitutional authoritarian republic is "dead center" between naked tyranny and the chaos of anarchy.

The world, however, driven by a century of Jewish democratic, equalitarian propaganda, has moved so far to the left that the authoritarian republic of our forefathers, which, with its slaves and aristocratic leaders would now be considered "right-wing extremism" even worse than Hitler's National Socialist Germany, were it to re-appear today.

As a result, what is called the "center" today is, in terms of relative distance from absolute left and absolute right, at least 75% away from center toward the left.

In short, the so-called "democratic" world is actually **MARXIST** and differs from the openly Communist world only in symbols, catch words and the gang in charge.

In the **OPENLY** Marxist world the leaders are atheist, Jewish Communists who set up non-Jewish fronts like Khrushchev. In the "democratic" world the "leaders" are a gang of Zionist-Capitalist Jews and their billionaire, plutocrat accomplices like the Rockefellers, the Fords of today, etc.

Because of this disparity in actual left-right orientation and the conceptions of these groups which have become so accepted that they are hard-to-break habits of thought, we have been forced to produce **TWO** charts. One is the left-right orientation of the various groups as they appear to political observers so steeped in democratic-Marxist thinking in spite of themselves that our present government appears to be substantially different from a Marxist system. The other chart shows the **ACTUAL** left-right orientation of these groups in terms of absolute left and right values. On the first chart, the one depicting the situation as most observers see it in the U. S. today, the American Nazi Party is as far right as it is possible to get and all other groups are found progressively to the left of us based on what they **CLAIM**.

What they claim and what we know to be the truth are quite different things.

The Jews are, perhaps, the best example of this. They preach what almost amounts to anarchy, the wildest kind of libertine individualism and to hell with the race, the group and humanity in general. But they believe and practice among themselves the most rigid kind of authoritarian fascism, which explains their incredible ability to survive.

A study of Zionist literature in particular and the kind of police-state tyranny the Jewish Communists actually set up as against the "idealized" Communism they preach, clearly reveals that anarchy and Communism are merely weapons used by the Jews to disrupt and destroy non-Jewish centers of power preparatory to their own establishment of an old-fashioned terror state.

Since the Jewish Communists, even in Russia and other openly Communist states, must still operate behind non-Jewish fronts to escape uprising by the Gentile slaves, the tyranny in these states is modified somewhat, and, bad as it is, does not quite approach the naked ferocity of such tyrants as Ghengis Khan.

As we approach almost to the political center, we reach the German Nazis and the fascists who tend more toward the right than the American Nazi Party because they favored absolute dictatorship which we do not.

Almost at the same point on the scale as the American Nazi Party, but slightly to the left because of their various disguises for their National Socialism are the National States Rights Party, the National Renaissance Party and the American National Party.

Still further to the left are three other groups which, although they will howl at being dumped into the same pot are, nevertheless, very similar in

outlook: the John Birch Society, the Minute Men and the Ku Kux Klan.

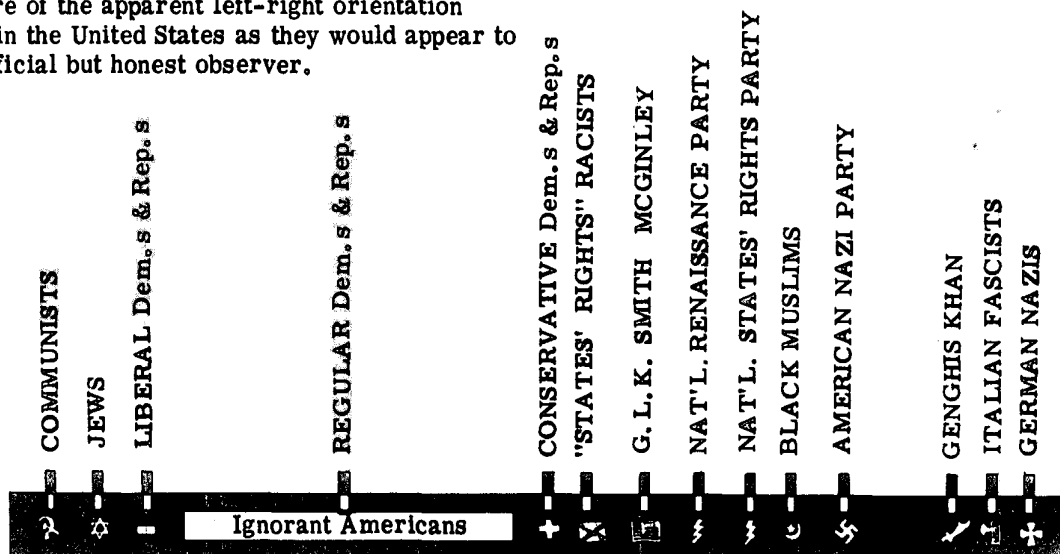

These groups are REACTIONARIES pure and simple - nothing less. They are all fighting, not to create anything positive, but to preserve their favored position, whether economically or racially. Another similarity is their monolithic structure just as in the American Nazi Party. A little further over to the left is the Protestant right and the Catholic right together with various religious fanatics like Elizabeth Dilling. By far the most eminent of Protestant rightists is the granddaddy of them all Gerald L.K. Smith, while Conde McGinley, publisher of Common Sense, is the most outstanding leader of the strong Catholic right.

Another notch over and we come to the Citizens Councils and other purely southern racist organization, who use states rights strictly as a cover for their advocacy of white supremacy. A few more notches to the left and we find the rabid "conservatives" of which, William F. Buckley, Jr. is the very literate and brilliant spokesman. We also find the Jew phonies, Goldwater and Sokolsky, deeply entrenched in these "conservative" groups as "good Jews" and leaders.

Approaching now the far left, we arrive at what are called "modern Republicans" and "Roosevelt Democrats", who might very aptly be called "Gentlemen Bolsheviks". Most of these people are not aware of their dangerous proximity to Communism but they are led mostly by Jews who are most certainly and happily aware of this fact.

Just before we get to the American Communist Party, there is a short stop in the suburbs

A picture of the apparent left-right orientation groups in the United States as they would appear to a superficial but honest observer.

of Communism - the "liberal" democrats and republicans and the Americans for Democratic Action - the A.D.A.

In surveying the over-all picture of left and right in America, it is extremely important to point out three factors which overshadow other political considerations in America.

The first and most important is RACE.

The race mixers and anti-race mixers are sprinkled across the scale from left to right and we have placed the different groups more by political considerations than in terms of race which is more fundamental. But the advocacy of racial mixture is one of the primary characteristics of ideological Communism and, consequently, those right-wing outfits, especially "conservatives" who hold themselves out as right-wingers but who, like Barry Goldwater advocate integration, are the phoniest kind of right-wingers.

The second consideration is economic.

Of all the groups on both scales, only two of them have any positive program which can have any hope of winning real mass support - the Communists and the National Socialists. This is because these two groups are the only ones which offer or even pretend to offer, any real help to the masses of common working people. Particularly in the right-wing, all the other organizations are strictly and most foolishly reactionary.

The third consideration is the political force driving both left and right toward their extremes and away from each other. Just as happened in Germany in the '20s and '30s, the growing radicalism and excesses of the left are forcing the people ever farther to the right with the result that as right-wing organizations come and go, they become increasingly radical rightists.

The Jews drove McCarthyism out of business and went back at their subversion so poisonously that they have produced the John Birch Society.

When they have driven the John Birch Society out of action - as they inevitably will, because of its cowardice on the Jewish question, they will find themselves confronted with a military junta led by men like General Walker.

The Jews will find the military men courageous and upright but politically naive, so that they will be easy prey for the brilliant and subtle strategems of the world's master plotters. And when the Jews have thus sliced through all these defenses of the white man and the American republic like a hot knife through butter, the edge of the blade will hit the cold steel of the American Nazi Party.

It remains to provide thumb-nail sketches of some of the more important right-wing organizations.

The AMERICAN NAZI PARTY, of course the farthest right of anything in America.

There are three groups with almost as radical opinions as ours, but who favor a more disguised approach: the Fighting American Nationalists, the National States' Rights Party and the National Renaissance Party.

The FIGHTING AMERICAN NATIONALIST was founded about two years ago by Raymond Goodman, Brent Bell and Schuyler Ferris in Washington, D.C., just before Khrushchev's visit here. They work quite closely with us and are accused the Jews of being a "front" for the American Nazi Party. We can't possibly imagine the reason for this unless it could be that they seem to demonstrate everywhere we appear. They have strong units in most American cities and we are in contact with all of them.

The NATIONAL STATES' RIGHTS PARTY was founded as the "United White Party" in Knoxville, Tennessee in 1957 by Dr. Edward Fields, Emory Burke, Wallace Allen, myself and others. They differ with us very radically in tactics: they play up strongly to the older people, the devout Christians, and the Negro-haters. We do not pose the religious question to enter our affairs, but the majority of our people are, shall we say, un-religious. The National States' Rights Party operates rather clandestinely from post office boxes etc., while we believe in marching in the street and fighting for our rights with our fists when necessary. The National States' Rights Party believes, or would appear to believe, that power can be won by enlightenment and the publishing of newspapers and propaganda. We believe that these things are, of course, utterly necessary, but they are relatively useless without dramatic street demonstrations to break down Jewish domination of the press. The National States' Rights Party, because of its disguising of its National Socialism, has been able to make the ballot in four or five states. In putting up a pro-Jewish candidate who was trained in a Communist school, is a member of Moral armament, and works with the head of the NAA in his state (Governor Faubus), they were able to gain fifty or a hundred thousand votes, mostly from people who know nothing of the National States' Rights Party but voted for Faubus because of his public record as a "segregationist". The National States' Rights Party is segregationist and southern while we are separationists - we believe the racial problem can be solved only by geographical separation. The National States' Rights Party has headquarters in Birmingham, Alabama, but would not make any public counter-demonstration to the "freedom riders" riots in their city, while the

American Nazi Party openly defied the Communist race mixers there with a "Hate" bus full of Nazi storm-troopers. In spite of these differences, the American Nazi Party and the National States' Rights Party and the Fighting American Nationalists are working pretty much for the same goals and co-operating to some degree.

The NATIONAL RENAISSANCE PARTY was founded about ten years ago by James Madole in New York City and, again, has a basically National Socialist outlook. However, Madole, while an extremely brilliant theorist, is no fighting leader of a people's mass movement. In his early days the Jews actually supplied him with money and filled his party with agents so that they could "investigate" his outfit and use it as a "horrible example" of "rising Fascism" with which to beat larger contributions out of frightened Jews. Since then, Madole has more or less vegetated, maintaining an excellent newsletter from his apartment on 90th Street and holding private meetings. His "organization", the National Renaissance Party, is more Fascist than National Socialist, and is quite involved with the Arabs and Castro, whom he praises. He believes that Soviet Communism is moving toward the right and is genuinely anti-Semitic - which is exactly the idea being pushed by Frederick Charles Weiss, a German who poses as a National Socialist, but who works for the Anti-Defamation League of B'nai B'rith. Madole has characterized me as a fake and an agent, etc. (Professional jealousy has driven many other right-wing "leaders" in the U.S.A. to make the same charges to explain our success and their own miserable lack of courage, organizing ability and fight.)

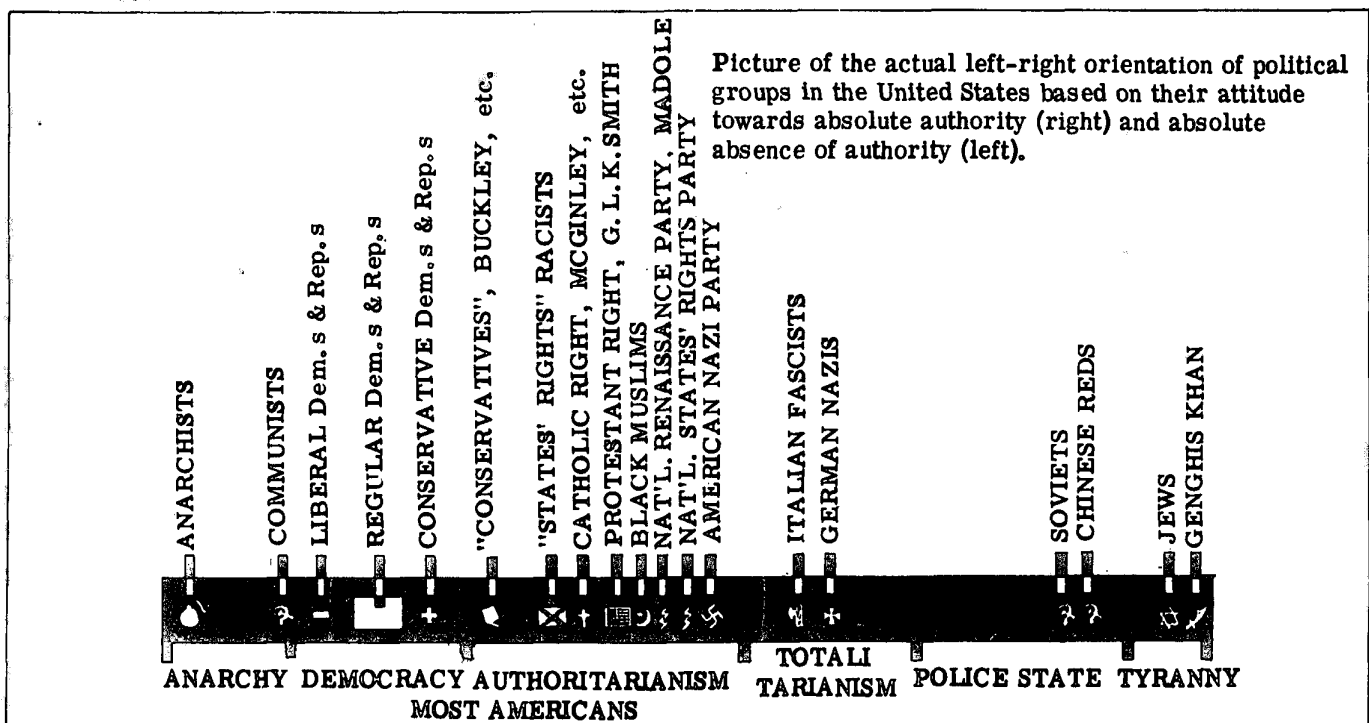

Recently in New York, Luke Dommer, John Patler, Dan Burros, Ralph Grandinetti, Gilbert DeMill and Hugh Bruce, all purged out of the

American Nazi Party or men who have quit the Party, have gathered together 15 or 20 other people expelled from the Party as the "AMERICAN NATIONAL PARTY". In the attempt to justify their failure in the Nazi Party here, and overthrow our leadership of the right-wing, this group of selfish malcontents, loafers, fakers, sissies, cowards or damn fools, is beneath mention. They are held together solely by their hatred and/or jealousy of my person and the American Nazi Party - and will disintegrate soon enough from lack of leadership and idealism.

A little further removed from the radical right is the "Catholic right" represented by Conde McGinley, Don Bell and others, and the "Protestant right", represented by Gerald L.K. Smith.

McGinley is utterly sincere, poor as a church mouse, old and exhausted from the terrible struggle he has waged with the Jew Communists and Zionists. He publishes "Common Sense", which circulates about 60,000 copies per month. But outside of this and a few meetings in his cellar, he has no organization and is not active politically.

Gerald L.K. Smith is the grand-daddy of them all, today, and started out working with Henry Ford, William Dudley Pelley, etc. However, the bitterness and near-hopelessness of the struggle have seriously weakened Smith's vigor and he appears to have settled down to a profitable exploitation of the older and less active anti-Semites who supply him with between a quarter and a half-million dollars a year. He comes on strong with an evangelical pitch in the name of Christ, all the saints, his white-haired old mother, his saintly wife, and anything else likely to fetch a dollar out of an old lady's purse. He has done a tremendous

amount of good and is still doing so, but the old bull is tired and his horns are worn off. He and the Jews now tilt at each other mostly from habit.

A little further to the left we have a gang of religious nuts like Elizabeth Dilling, who hates Jews mostly from a religious standpoint (as "Pharisees"), preaches that Hitler was a Jew, worked for the Jews (as they say I am supposed to be doing) and come out with such garbage as "on-the-spot observers", who personally saw white pilots in the Jap planes attacking Pearl Harbor as they whizzed by at 3 or 400 MPH. Dilling also maintains that "This Time the World" which I printed myself, was printed by a Solomon Zavits - whom I never heard of.

In general, the masses of Americans have had more than enough kikes, coons, Communists and queers and are desperately, if blindly and

dumbly, seeking strong leadership. As our phony, war-scare, inflated boom collapses, as it inevitably will, and as the race situation reaches intolerable chaos and violence, as it already has, all of these groups to the left of us will be forced further and further to the right no matter how we and others like us, are "hated" and persecuted now. What happened in Germany from 1920 to 1932 is repeating itself with almost unearthly precision. Even the women's fashions, miniature golf, and the mad atmosphere of the '20s is being rebuilt by the Jews. The plotters, with their enormous control of all media of public information in America, will inevitably rise yet a bit further, as we will be driven into the "catacombs". But their doom is already being prepared in the hearts of our long suffering people and we shall sweep the traitors and subverters into the garbage pail of history in the election of 1972.

More Misery for the Jews: First Anti-Jewish Novel now out!

Not only are the Jews "on the horrors" because of the growth of the American Nazi Party in spite of all they can do, and the thousands of clandestine Nazi youths in high-schools throughout the Country, but there is now a new development in the rising tide of "hate" (against the traitors and subverters).

Just as in the twenties and thirties the Communist atmosphere overflowed into the "arts", and particularly the novels of the time, which reeked of Marxism, -the rising Nazi tide all over the world has already produced the FIRST NAZI NOVEL by a well-known author.

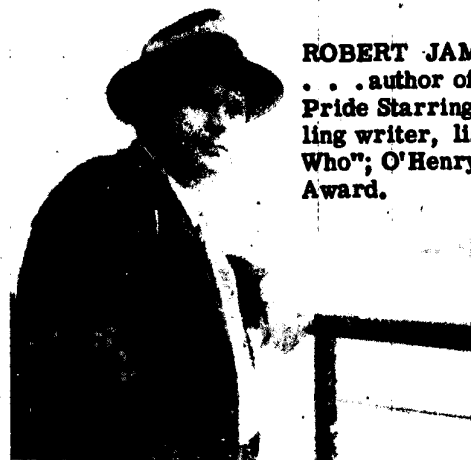

Robert Lowry, who has written dozens of famous books and novels, including "What's Left of April", "Casualty", "The Wolf That Fed Us", "Find me in Fire", "Happy New Year", "The Big Cage" and many other top sellers, has written a smashing, hard-hitting novel exposing Jewish psychiatrists who use their science as part of the conspiracy to railroad those who get in their way to the booby hatch.

He pulls no punches, and the scene at the end where the fat Jew slides his "hot, thick tongue" into the mouth of the young wife he has stolen from the "hero" of the book, whom he has sent to the insane asylum, has an emotional impact impossible to describe.

"The Prince of Pride Starring", by Robert Lowry, is such a powerful emotional indictment of the psychiatric aspect of the Jewish conspiracy that, as might be imagined, Mr. Lowry has not been able to sell anything other than a few poems, since he published this sensational novel, using all his savings.

We highly recommend this book to our friends, both as art and as enlightenment. He has supplied us with original, autographed copies of this historic book, and we urge our friends to order several to be circulated among those who will read novels, but not the plain, unvarnished truth. This will "GET THEM!" It will also help the courageous Mr. Lowry, and, as you might imagine, he needs help.

Re: American Nazi Party
Racial Matters

On January 17, 1962, Detective [redacted] Bureau of Special Services (BSS), New York City Police Department (NYCPD), advised that on this date, the Department of Parks, New York City, received an application from George Lincoln Rockwell, Commander, American Nazi Party (ANP), for a permit to speak at Union Square Park, from 2:00 p.m. to 4:00 p.m.

b6
b7C

In his application, Rockwell stated that he would use the facilities at Union Square Park, New York City, on April 20, 1962, for a rally and speech, political in nature. In his application, Rockwell also claimed a membership of 4,000 in the ANP, and stated that he expected 50 to 100 ANP members and supporters to take part in the April 20, 1962 rally.

In addition to himself, Rockwell stated that [redacted] Deputy Commander, ANP, and [redacted] Lieutenant, ANP, would also make speeches at the rally on April 20, 1962.

According to Rockwell's application, the purpose of the April 20, 1962 rally will be to speak against Communism and other forces opposing the United States.

b6
b7C

Rockwell stated that the rally will consist of speeches only, there will be no band present, and copies of his speech to which he will strictly adhere, will be submitted to the proper authorities in New York beforehand.

Detective [redacted] requested that the above information be kept in the strictest confidence since the officials of New York City desire that Rockwell's application receive absolutely no publicity until such time as a decision by them has been reached concerning the application.

A characterization of the ANP is attached hereto.

It has previously been reported that Private [redacted] was being discharged from Fort Myer, Virginia, and during his 10 year service had associated himself with American Nazi Party. During contact with Major [redacted] it was learned that Private [redacted] had been interviewed by representatives of the United States Army and readily admitted he had visited American Nazi Party on one occasion. He admitted he had corresponded with American Nazi Party and had literature from that organization. Private [redacted] said he and the organization had similar ideas regarding segregation however he was not in full agreement with all tenets of American Nazi Party.

On January 24, 1961, an Agent of the FBI contacted George Lincoln Rockwell regarding an unrelated investigation. During this contact Commander Rockwell identified the following as current members of American Nazi Party:

b6
b7C

Rockwell said [redacted] is not a member of American Nazi Party, however he works closely with American Nazi Party. He contributes to the party cause financially and gives of his own time and effort.

Re: American Nazi Party

Rockwell said [redacted] is no longer associated with Fighting American Nationalists or American Nazi Party.

b6
b7C

Rockwell said he has a strong group forming in Chicago, Illinois. The leaders of this group are [redacted] and Mathias Koehl. He said the group was currently functioning as the Fighting American Nationalists. Part of the group will remain known as Fighting American Nationalists, (FAN). Part of this group will be known as American Nazi Party. Rockwell said he feels it is necessary to maintain a front organization and FAN will be it.

Rockwell claimed that his strength in Chicago numbers about 30 men. He said this is about the same number that he has in Arlington County. It is noted when Rockwell identified current membership of American Nazi Party in the Arlington County area, he only named 18 hard core members. It is noted further that American Nazi Party has never been known to have more than 25 hard core members.

Rockwell exhibited the carbon copy of an American Airlines ticket, which appeared to have been used for round-trip travel to Chicago, Illinois from Washington National Airport. This ticket contained the following information:

Date of departure from Washington National Airport,
January 19, 1962, 4:00 P.M.

Date of departure from Chicago, Illinois, 12:00 P.M.,
January 22, 1962.

Name of passenger, Mr. M. Ginsberg.

Rockwell said he used the name M. Ginsberg and travelled to Chicago, Illinois, on the dates as set forth on this ticket. He said this was the ticket he used. He said he went to New York to meet the group headed by [redacted] and Koehl. He said he was proud of this group and believes that it has become one of the most active groups associated with American Nazi Party. Rockwell said he intended to return the first of February, 1962, to Chicago. At that time he and the Chicago group will picket a banquet given in honor of the 38th anniversary of the Communist Party Daily Worker. Rockwell intends to send a public telegram to the Jewish War Veterans and ask them to participate in this picket. If the Jewish War Veterans do not assist Rockwell in picketing he will write articles defaming the

Re: American Nazi Party

Jewish War Veterans as proponents of Communism. If the Jewish War Veterans assist Rockwell in the picket he will use this as ammunition to show that a segment of the Jewish people believe and assist the American Nazi Party in its fight against communism.

Rockwell said he plans to speak at Bucknell University, Louisburg, Pennsylvania, on January 31, 1962.

He said he is trying to arrange for speeches at Tuff's University and at Ohio State University. Rockwell identified [redacted] as his representative at Ohio State University who is attempting to make arrangements for Rockwell's speech.

b6
b7C

Rockwell said he has not been to New York City in the recent past. He said he has made application to speak at Union Square, New York City. He said he has not decided when he will make this speech. He did not intend to make this speech until he is assured of adequate police protection.

Rockwell stated he had been having a great deal of trouble with people using his name, when sending literature out in efforts to scare people. He said he does not send out literature of this nature. Specifically he said he did not send a letter to the landlord at 51 West Reed Avenue, Alexandria, Virginia. He said if any letter was sent to that address using the name Lincoln Rockwell, Commander, American Nazi Party, that the signature thereon is a fraud. It was called to Rockwell's attention that such a postcard had been sent to that address, which was postmarked Arlington, Virginia, on December 29, 1961. Rockwell said he had no suspects.

Rockwell said the Home State Construction Company is no longer in existence. He said ~~Floyd Fleming~~ has now taken up painting contracting in the Arlington area. He uses members of American Nazi Party to assist in the fulfillment of these contracts. This enables members of the American Nazi Party to earn a living.

Rockwell said finances of American Nazi Party are no longer dependant on contributions. He said he made approximately \$1,700 on his newest book, "This Time the World." He is currently mailing out a publication entitled "The Rockwell Report." This is a bi-monthly publication for which Rockwell charges 50 cents. He claims the subscriptions for this publication are on the increase and he expects shortly to be operating in the black because of the second edition of "This Time the World," which is currently being printed at American Nazi Party.

Re: American Nazi Party

Headquarters and because of the subscriptions to "The Rockwell Report". "The Rockwell Report" can be obtained on a yearly subscription for \$10.00. This entitled the subscriber to 24 issues.

On January 24, 1962, Captain [] said Rockwell appeared in Arlington County Juvenile and Domestic Relations Court on January 23, 1962. Judge Reed dismissed a 30 day suspended sentence he had previously given to Rockwell. Judge Reed admonished Rockwell that if he did not keep up his present trend of paying the \$200 support payment to his estranged wife and family at the beginning of each month, Judge Reed would again call Rockwell into court and would incarcerate him in Arlington County Jail for 30 days.

b6
b7C

Rockwell said on January 24, 1962, that headquarters will remain at 928 North Randolph Street. He said that as soon as warmer weather arrives in the Arlington County area he intends to move his troopers back to 6150 Wilson Boulevard, where he intends to occupy the two houses which are on that property. The property will again be used as auxiliary headquarters for American Nazi Party.

The following are descriptions of the American Nazi Party and Fighting American Nazi Party.

Attention: Mr. H. G. Foster

Dear Sirs:

7
Further to my January 22 letter and your January 26 response, enclosed please find two packets of unmarked "hate campaign" trash I received. I note from the postage cancellation that these packets were sent from different GPO's. I received the first unmarked packet last week but the cancellation stamp is not clear on that point. I send this material along to you since I believe you might be interested in the method of operation employed by these people.

Once again I do not understand how I got on such a list and I'd like to get off it. However, if there is anything further I can do, I would be pleased to help.

Sincerely,
